- Consult with your tax preparer for professional advice on your individual tax situation. The tax laws for grain can be complex and there may be specific criteria that must be met.
- A representative from the charity (Camp High Hopes) will open an account with the elevator in anticipation of the grain donation. Please contact us in advance so that an account can be established prior to delivery.
- The farmer must deliver grain to the elevator or currently hold grain in their name to provide proof of production. Note that contracted grain sales will not be accepted as a grain donation.
- The farmer must transfer ownership title of the commodity to the charity (Camp High Hopes).
- The charity (Camp High Hopes) must make the final decision on the grain.
